April Newsletter

Dear Friend of NCLC,

Give Local, a 36-hour fundraiser sponsored by the Connecticut Community Foundation (CCF), begins **Tuesday, April 26 at 7 AM**. During Give Local, your contributions go further, thanks to matching funds provided by generous NCLC members and CCF.

The State of Connecticut is not on track to meet its land conservation goals. At its current pace, it will take the State another 65 years to reach its goal of protecting 10% of its natural lands and waters.

NCLC's land acquisition program leads the State, and we are taking bold action by tripling our pace of conservation to protect 20,000 acres of critical, at-risk land by 2030.

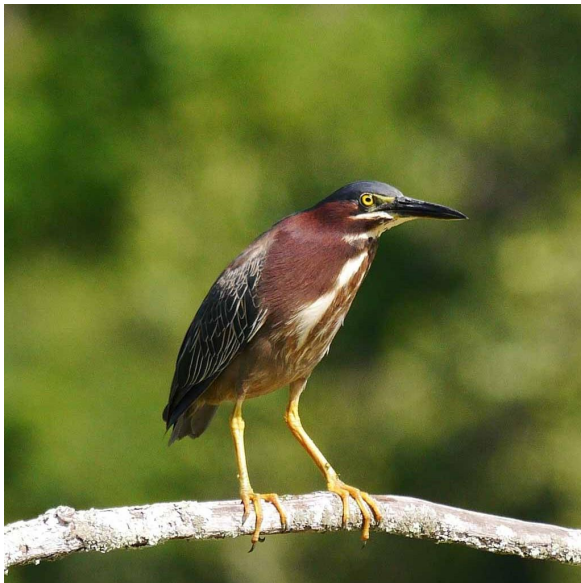

To help us accomplish our conservation vision, we would like to raise \$30,000 through Give Local. And, thanks to two generous families, every gift will be matched, dollar-for-dollar, up to \$15,000.

Thank you for making bold conservation possible.
