December Newsletter

Greetings!

At NCLC, we believe we have a once-in-a-generation opportunity to safeguard our region's lands and waters for future generations.

With your membership support, NCLC protects more land each year than any other conservation organization statewide. **And, NCLC is ambitiously accelerating the pace of our conservation work.**

This year we are on track to protect an additional 500 acres of farms, forests, rivers, and rare species habitat in Bridgewater, Kent, Salisbury, Sharon, New Milford, and Washington.

Because of our members, NCLC can act boldly and quickly to conserve the most important lands and waters in Northwest Connecticut. Thank you for your continued support of conservation and for safeguarding the natural lands and waters of this special place that we call home.

With gratitude,

Volunteer Spotlight

Bruce Price is a dedicated volunteer trail steward, maintaining several hiking preserves in the Town of Sherman. You can find him outdoors caring for NCLC's hiking trails almost daily. We asked Bruce about his experience as a volunteer. Watch the video below to hear him describe the impact conservation has on his life and in his community. You can join

Bruce and NCLC's vibrant team of volunteers by emailing
